President's Report

The Board of RGAQ continued to meet throughout 2011 and monitor its programs and membership services. Most notably the professional development programs funded through membership income provided numerous opportunities for organisations and individuals. RGAQ also contributed to the Gallery and Museum Achievement Awards through sponsorship of the Individuals Paid category.

A significant project that continued in 2011 concluding in November was the travelling exhibition *Twelve Degrees of Latitude: Regional Gallery and University Art Collections in Queensland*. As a celebration of the wealth of Regional Gallery Collections this exhibition has been a very successful culmination of significant input from many people over a number of years.

Museum and Gallery Services Queensland continued to deliver programs to the sector throughout 2011. The Board of RGAQ ensured the gallery sector's input into M&GSQ activities and decision making through representation by two RGAQ board members on the M&GSQ Board. I would like to thank Richard Baberowski and John Waldron for their valued contributions in these roles.

I would like to thank RGAQ Board members for their continued guidance of the organisation throughout 2011: Michael Wardell (Vice President), Brian Tucker (Secretary/Treasurer), Richard Baberowski, Karina Devine, Tim Lynch and John Waldron.

I am glad to say that business has run quite smoothly throughout the year and we have been grateful for the services of Karike Ashworth in the role of Membership Officer for this.

I would also like to thank the staff of Museum and Gallery Services Queensland for the ongoing services they provide for RGAQ throughout the year.

The support and input of members are crucial to the ongoing vitality of RGAQ as an organisation that represents the interests and concerns of the public gallery sector in Queensland. As a Foundation Member of Museum and Gallery Services Queensland, RGAQ can ensure that high quality services and programs are delivered to the sector. Through regular review and consultation, RGAQ strives to ensure that its membership services meet the changing needs of our constituents. Your participation in this process is always most welcome.

John Walsh
President

RGAQ Professional Development Bursary Program

In 2011, RGAQ allocated \$7,000 for Professional Development Bursaries as part of the 2011 budgeting process however, the Board made a decision later in the year to increase this to \$12,500 due to the outstanding number of bursary applications received.

RGAQ offered two programs to address the training and professional development needs of galleries/museums, their staff and their volunteers:

1. Individual bursaries to attend seminars, conferences or courses for:
 - a) Volunteer staff, and
 - b) Paid staff.

Grants were to be used towards conference registration fees, associated workshop fees, travel, accommodation and living expenses during the period of the activity.

 - Costs towards improvements in the gallery/museum exhibition program such as touring exhibition fees and display improvements.
 - An appropriate consultant to work with the institution on skill development in areas such as Education and Public Programs; Exhibition Development; or Strategic Planning and Policy Development.
 - On-site training workshops and seminars in specialist areas such as volunteer recruitment, board management and gallery/museum practice.

RGAQ Funding Update 2011

In 2009, RGAQ received funding from Arts Queensland's Sector Project Grants Program for a Development and Presentation Grant towards the touring costs for *Twelve Degrees of Latitude: Regional Gallery and University Art Collections in Queensland*.

The successful grant of \$43,000 enabled RGAQ to make a significant contribution to the exhibition, promoting the richness and quality of 27 of Queensland's regional gallery and university art collections.

Twelve Degrees of Latitude completed its two-year tour in November 2011. 58,720 people viewed the exhibition at eighteen venues during its tour around Queensland.

In 2011, *Twelve Degrees of Latitude* toured to ten regional venues (two venues spanning the November 2010–January 2011 period). In three locations the exhibition was split across venues (Winton/Ingham; Bundaberg/Hervey Bay; Redcliffe/Redland). The regional tour concluded at the Redcliffe City Art Gallery and the Redland Art Gallery in November 2011.

From August 2009 to November 2011, *Twelve Degrees of Latitude* was displayed at 18 venues for 735 exhibition days with a total of 58,720 visitors.

Each venue was asked to rate the exhibition using two key criteria – 'Aesthetic/Curatorial Approach/Exhibition Content'; and 'Responses from the Public':

94% of venues rated the Aesthetic/Curatorial Approach and Exhibition Content of the exhibition at the two highest levels, Above Average and Good.

Responses from the Public to the exhibition were rated by venues as: 59% at the highest level, 35% Above Average and the remaining 6% Average.
